

DANCE INFORMATION

SEPTEMBER 2023 – JUNE 2024

Classes start WEDNESDAY, September 6, 2023.

OUR PHILOSOPHY & GENERAL RECOMMENDATIONS

Regardless of a student's ultimate goal for dance, at Studio 82 we are committed to giving *all* students the best possible dance education we can provide. Although we realize that many of our students will not go on to dance professionally, we do feel it is important to train and expose our dancers to all facets of a dance education.

For that reason, it is our recommendation that ALL students take ballet, as it is the foundation of ALL dance. In dance, the execution of more difficult steps is impossible without first mastering the basics of ballet technique. In addition, we STRONGLY SUGGEST that students enroll in a technical jazz class *prior* to hip hop. Students wishing to participate in LYRICAL, MUST ALSO TAKE BALLET, no exceptions.

Students wishing to move into advanced level classes should be taking TWO ballet classes a week. Students in Intermediate thru Advanced level Jazz MUST take a jazz technique class. Privates are also highly suggested and encouraged.

PAYMENT & PRICE STRUCTURE.

REGISTRATION FEE: \$25 individual \$40 multiple children DUE UPON REGISTRATION.

PLEASE NOTE... PRICES BELOW ARE PER CHILD.

Tuition is ALWAYS due the first class of the month. It is based on a DANCE YEAR (9 months of instruction Sept - May TOTAL), and then divided into TEN equal payments . We would suggest paying August – May. If you choose to pay September – May, you will have a double payment in May. There are 10 payments total, regardless. You can also “add” additional funds to each month’s payment to save yourself that May/June combined payment. Bottom line – You are looking to pay off the total amount due, by the end of May. Tuition needs to be paid in full before Recital tickets can be purchased.

Pre-School Ballet..... 10 payments of \$54 per payment \$540 total amount due by May 30..

CLASS PLACEMENT

PLEASE give us the first few weeks to evaluate class placement to ensure dancers are in the appropriate class. Remember, just because a dancer can “do” a step, it does not mean that the step is being executed with proper technique. At STUDIO 82 we pride ourselves on our commitment to place your child in the appropriate level class. Our scheduling process begins with teacher evaluations before the dance year even ends, and continues with the beginning of the following school year. Although we do our best to schedule your child appropriately, placement may need to be readjusted once we see the classes together in the fall. Please trust that our staff wants your child to get the most out of his or her experience here, and will do what needs to be done to ensure that your child is in an appropriate level class.

SNOW DAYS

The studio will follow the **Strongsville City Schools** advisory for closing. If a snow day is called for the Strongsville School System, all morning dance classes will be cancelled; HOWEVER, if the weather improves during the day, we may opt to open again for evening dance. If the weather is called due to COLD and not snow, we will still hold classes. **PLEASE CHECK YOUR E-MAIL, FACEBOOK, WATCH THE TV, OR CALL THE STUDIO FOR UP-TO-DATE INFORMATION REGARDING STUDIO CLOSINGS.** Please note that we will always err in favor of the safety of our students. Snow days **WILL NOT BE MADE UP**, but we do encourage students to come in and make up for missed classes.

MAKE UPS

In the event that a dancer cannot make a class due to illness or vacation, the desk will suggest make-up classes available. These make-ups may be taken at any time. **THERE WILL BE ABSOLUTELY NO REFUNDS.**
